

Smart Anytime, Safe Anywhere

Dear friends,

We are pleased to announce that Climax Technology Co., Ltd. will be exhibiting in the Smart Home Marketplace at the 2015 International CES (Consumer Electronics Show) in Las Vegas on January 6-9, 2015. We sincerely invite you to visit our booth at the show, where we will display and demonstrate our latest smart home solutions' unique strengths, including:

#### **Robust Security**

Climax's smart home systems stand out from the rest because of their superior security features such as world-leading 2-km RF range, flexible compatibility with RF, ZigBee, Z-Wave, Wi-Fi, DECT, and Bluetooth devices, total visual monitoring solutions, capability to integrate up to 160 sensors, reliable communications, and senior care.

#### **Connected Home**

Home Portal Server, Climax's high-capacity IP/GPRS platform, is designed to provide remote storage for Climax's smart home systems and to meet the operational needs of security service providers. End users, on the other hand, can control their homes from mobile devices via a smart app anytime.

#### **ZigBee- and Z-Wave-Enabled Smart Services**

Climax's comprehensive range of top-quality ZigBee and Z-Wave accessories delivers services like security monitoring, energy management, lighting control, and home automation. These devices control appliances according to custom scenes/schedules to enhance safety, comfort, and convenience and to create greener homes.

The Climax team at the CES will provide you with detailed information on our smart home solutions. For any questions regarding our exhibition, please email us at [sales@climax.com.tw](mailto:sales@climax.com.tw), visit our smart home web pages at <http://www.climax.com.tw/smart-home-main01.php>, or call +886 2 27940001. We look forward to seeing you in Las Vegas.
