

Smart Anytime, Safe Anywhere

Dear Friends,

We are pleased to announce that Climax Technology Co., Ltd. will be exhibiting at the SMAhome International Conference & Exhibition 2015 in Taipei on April 28-30, 2015. We sincerely invite you to visit our booth at the show, where we will display and demonstrate our latest smart home solutions' unique strengths, including:

Robust Security

Climax's smart home systems stand out from the rest because of their superior security features such as world-leading 2-km RF range, flexible compatibility with RF, ZigBee, Z-Wave, Wi-Fi, DECT, and Bluetooth devices, total visual monitoring solutions, capability to integrate up to 160 sensors, reliable communications, and senior care.

Connected Home

Home Portal Server, Climax's high-capacity IP/GPRS platform, is designed to provide remote storage for Climax's smart home systems and to meet the operational needs of security service providers. End users, on the other hand, can control their homes from mobile devices via a smart app anytime.

ZigBee- and Z-Wave-Enabled Smart Services

Climax's comprehensive range of top-quality ZigBee and Z-Wave accessories delivers services like security monitoring, energy management, lighting control, and home automation. These devices control appliances according to custom scenes/schedules to enhance safety, comfort, and convenience and to create greener homes.

The Climax team at the SMAhome will provide you with detailed information on our smart home solutions. For any questions regarding our exhibition, please email us at sales@climax.com.tw, visit our smart home web pages at <http://www.climax.com.tw/smart-home-main01.php>, or call +886 2 27940001. We look forward to seeing you in Taipei.
