

Dear Friends,

Mark your calendar for the 2016 Essen Security Exhibit in Essen, Germany on Sept 27-30! We take great pleasure in inviting you to come and see us at booth#E25 in Hall 2, we will be presenting and demonstrating our latest and newest smart security, smart home, and smart energy solutions, including:

#### **Smart Security Complete Solutions**

Climax's world-leading 2km radio frequency range, Voice Over Internet Protocol (VOIP), touchscreen convenience, and reliable communications, have all been integrated into our smart home security solutions. Smart home security series is a complete solution integrating security monitoring, senior care, energy management, home automation, visual monitoring, environmental emergency monitoring, and remote mobile control all-in-one.

#### **Smart Energy Management: ZigBee & Z-Wave Accessories**

Climax's comprehensive range of ZigBee and Z-Wave sensors and accessories including security, energy management, lighting, home automation, visual verification, and environmental emergency monitoring devices further enhances comfort, convenience and safety.

#### **Smart Telecare Alarm Series w/ Lifestyle Automation and DECT devices**

Climax telecare systems integrate real-time GPS tracking, geo-fencing, visual monitoring, intrusion detection, emergency intercom service, lifestyle monitoring and an extensive array of wireless DECT accessories to enable seniors to live independently at home or travel with utmost protection and freedom.

For any questions regarding our exhibition, please email us at [sales@climax.com.tw](mailto:sales@climax.com.tw), or visit our smart home web pages at [www.climax.com.tw](http://www.climax.com.tw), or call us at +886-2-27940001. We look forward to see you there!
