

Smart Anytime, Safe Anywhere

Dear friends,

We are pleased to announce that Climax Technology Co., Ltd will be exhibiting at Security Essen 2014. We sincerely invite you to visit our booth at the show, where we will display and demonstrate our latest solutions. The Climax team at the exhibition will provide you with detailed information on our most competitive innovations, including:

Intelligent Telecare

Climax's telecare systems integrate real-time GPS tracking, visual monitoring, intrusion detection, emergency intercom service, and an extensive array of wireless accessories to enable seniors to stay at home or travel with utmost protection, freedom, and independence.

Connected Home

Security service, touchscreen convenience, total visual monitoring, home automation, energy management, and mobile control are all incorporated into Climax's versatile smart home systems, which feature world-leading 2-km RF range. Homeowners can control their connected homes on mobile devices anytime.

Z-Wave and ZigBee Home Automation

Climax has recently rolled out a new series of top-quality ZigBee and Z-Wave accessories that can be flexibly deployed in ZigBee/Z-Wave home automation systems. These high-performing devices enhance modern homes' comfort, convenience, and green credentials.

For any questions regarding our exhibition, please email us at sales@climax.com.tw or call +886 2 27940001. We look forward to seeing you in Essen.
