

Pursuing Excellence in Technology

Dear Friends,

We are excited to announce that Climax Technology Co., Ltd. will be exhibiting at ISC West 2014. We cordially invite you or your company representatives to join us at this special event. The Climax team at the exhibition will provide you with detailed information on our latest offerings:

Smart Care Solutions

GPS location tracking, intrusion alarm, visual monitoring, and assistive domotics are meticulously integrated into our innovative and all-inclusive Smart Care solutions to provide seniors with unprecedented care and freedom.

Smart Home Solutions

The richly-featured, all-in-one Smart Home solutions integrate security system with the latest touchscreen technologies, home automation, energy management, and total visual monitoring to satisfy consumers' growing demand of connected homes.

Smart Connect Solution

Smart Care, Smart Home, and Smart Connect solutions are made possible with Climax Home Portal Platform, a high-capacity IP/GPRS-Based platform. It allows the CMS and end-users to conveniently perform remote system control and management

For any questions concerning our exhibition, please email us at sales@climax.com.tw or call 886-2-27940001. We look forward to seeing you in Las Vegas.
