

Dear Friends,

We are pleased to announce that Climax Technology Co., Ltd will be exhibiting at ISC West 2015. We sincerely invite you to visit our booth at the show, where we will display and demonstrate our latest solutions. The Climax team at the exhibition will provide you with detailed information on our most competitive innovations, including:

**Telecare: Caring for You Anytime, Anywhere**

Climax's telecare systems integrate real-time GPS tracking, geofencing, visual monitoring, intrusion detection, emergency intercom service and an extensive array of wireless accessories to enable seniors to stay at home or travel with utmost protection, freedom and independence.

**Home Security: Making Your Home Safer and Smarter Than Ever**

Security service, touchscreen convenience, total visual monitoring, home automation, energy management and mobile control are all incorporated into Climax's versatile smart home systems, which feature world-leading 2-km RF range. Homeowners can control their connected homes on mobile devices anytime.

**ZigBee and Z-Wave Technologies: Rolling out Every Service You Need**

Climax has recently rolled out a new series of top-quality ZigBee and Z-Wave accessories that can be flexibly deployed in ZigBee/Z-Wave home automation systems. These high-performing devices enhance modern homes' comfort, convenience and green credentials.
