## Visit Us at International CES 2022

Dear Friends,

While the COVID-19 pandemic hit the world in the past two years, Climax has not slowed down our relentless efforts in Smart Home Security and Telecare solutions, as well as sensors and accessories. For our long-awaited updates, we are sincerely to invite you to meet at booth #52042 at Smart Home Marketplace at the 2022 International Consumer Electronics Show in Las Vegas on Jan 5-8.

With continuous endeavor to innovations, this year we are glad to present you a wired and wireless IP-based Hybrid Security System with LTE capability, which offers a powerful solution for commercial and large home applications. Smoke/Fog Generator is a must-see innovation among our extensive sensors, which provides a speedy and effectual way to prevent burglary and theft by generating security fog, instantly clouding the vision of intruders to protect your valued properties.

It will be lengthy to introduce all of our innovations here; we will be showcasing our complete and latest portfolio of smart home security solutions at show. For any questions regarding our exhibition, please email us at [sales@climax.com.tw](mailto:sales@climax.com.tw), or visit our website at [www.climax.com.tw](http://www.climax.com.tw), or call us at +886-2-27940001. We look forward to see you there!
